

A man with a mustache, wearing a dark button-down shirt and dark pants, is sitting on a wooden stool. He is looking towards the camera. The background is a rustic interior with a large window showing greenery outside. The lighting is warm and slightly dim. The text 'LudoLov' is overlaid in a large, white, stylized font across the middle of the image.

LudoLov

DJ / PRODUCER

LudoLov was immersed in the world of nightlife from a young age, thanks to his mother's nightclub. This vibrant and eclectic environment allowed him to acquire a vast musical culture spanning all styles: House, Techno, as well as New-Wave, Funk, Disco, Pop, Rock... This musical diversity has shaped his unique style, captivating crowds wherever he performs.

His first instrument, a Bontempi electric piano, sparked his desire to create sounds and melodies. From these humble beginnings, his studio has seen countless machines, each contributing to refining his craft and enriching his musical productions. Alongside the artistic project, LudoLov also develops applications for editing synthesizers.

LudoLov has performed as both a DJ and live performer in numerous nightclubs and events, both in Belgium and abroad. His talent and dedication were recognized by his peers when he won the prestigious Belgian "Diesel U Music Award" as the best artist in the House & Tech-House category.

Recently, DJ LudoLov released two tracks on Spring Tube label, solidifying his place on the international scene. Additionally, he launched his own label, Rouge Velvet Records.

LudoLov continues to constantly develop his career with an unwavering passion for music, technology and art.
